Education

2016 - 2020 **BSc, Computer Science & IT**

National University of Ireland Galway

First Class Honours 81% average

Algorithms & Data structures, Database Systems, Computing Systems, Object Orientated Programming, Software Engineering, Networks.

2010 - 2016 **Leaving Cert** (550 Points)

Clongowes Wood College

A grade: Physics, Mathematics, English

B grade: Geography, French, Art.

Experience

June 2018 - **Software Development intern**

Bim Launcher

Sept 2018

- Developed node-red flows & Javascript to allow data transfer and compatibility between software providers, such as Autodesk, in the construction industry.
- Wrote Swagger specification and documentation for API's with up to 70 endpoints along with a testing suite using mocha.
- Created a comparison portal for several 3D modeling services.
- Took part in meetings and calls, helped write product scopes for new features.

Sept 2017 - **Student Ambassador**

NUIG

May 2018

- Represented the University on open days and events with thousands of guests.
- Collecting and submitting student registration data.

Projects

Playlist Generator

[Link](#) | [Github](#)

Node.js app using the Spotify API to recommend songs and create playlists, deployed to Heroku.

Internship Search

[Github](#)

Node.js & Mongo app for students to chat and search for Internships.

Data Visualisation

[Github](#)

Python program using Pandas and Matplotlib to create graphs from a Rent Price dataset from the Central Statistics office.

Personal Website
